DISNEYLAND SINGERS . . . The Tartar Choir, directed by Glenn Hawley, sang last week as part of the traditional Christmas ceremonies at Disneyland. The 60-voice choir from Torrance High School sang a group of Christmas numbers and toured Walt Disney's famed kingdom. The choir also appeared Monday noon at the Torrance Educational Advisory Committee meeting and will appear in concert at 8 p.m. tomorrow night at the Torrance High School Auditorium.

Look, Men! No More KP For Airmen

"KP" duty may become just a haunting memory for airmen at some stateside bases through a new directive released recently to Air Force base commanders throughout the United States, according to T/Sgt. William E. Valleroy, local Air Force recruiter.

The new program develops from a two-year study-test at Vance AFB, Okla. It will permit Air Force base commanders to contract locally with civilian firms for complete food handling service.

"The Vance experiment proved profitable in that airmen freed from KP chores

provided additional man-hours for more useful tasks," said Sergeant Valleroy.

The AF's three major combat commands based in the United States—Strategic Air Command, Tactical Air Command and Air Defense Command—are not included in the change. This is to insure their combat readiness and to provide an adequate overseas rotational ratio of military food service personnel. Hospital food service is not affected by the new regulation and will continue under its present policy.

The civilian contractors will

prepare and serve meals, operate and maintain cleanliness and sanitation of dining halls, provide employees' uniforms, manage the food facilities and maintain feeding records.
